The Galdrakver (Book of Magic) Lbs. 143,8vo has been republished.

The Galdrakver is in 2 vols., the first being a facsimile of the original manuscript, the second containing the Icelandic text and introductions and with Danish, English and German translations.

Edited by Emilía Sigmarsdóttir, Rannver H. Hannesson and Ögmundur Helgason. First published in Reykjavík: Landsbókasafn Íslands - Háskólabókasafn 2004.

It is one of only a handful of books of magic extant in Iceland from the 17th Century.

This is the second printing and can be purchased [by clicking here.](#)
